

SABRE SCOOP

This week at ATMS:

We had a full week of excitement at ATMS! The Grade 4s and 5s from South Poplar and King visited us this week for lots of fun learning and games! Our grade 8 WEB leaders did a fantastic job engaging with our future Sabres as did many of our grade 7 students. Thank you for your leadership, Sabres! They had the chance to explore baking, woodworking, art, digital breakouts, 4 corner soccer and Goose Chases! We look forward to their return in the Spring!

On Wednesday it may have looked a little like early Halloween around here! We had a lot of ghosts floating around the school and but thankfully, ghostbusters were on site! What a fun WEB event for our grade 6s! Thank you grade 8 WEB Leaders, Ms. Sickels, Mrs. Strafford and Mr. Lockington!

The Hot Lunch orders worked really well this week! Thank you to all the parents who went online to place their orders for the week. Please remember to head over to schoolcashionline for next week's orders!

The grade 8 girls wrapped up their volleyball season late last week at Chief Dan George. They played so well - the best they had all season. They have grown as individual players and as a team. Thank you so much to their dedicated coaches - Mr. Hickey and Mrs. Wilms.
