## This week at ATSS:

Our students had a door decorating competition today! Congrats to Leadership, Entrepreneurship, and LSS classes for their winning designs! Great job everyone.

80 of our Titans went on a trip to Grouse Mountain for the Peak of Christmas Event. Students had a great time in the cold!

Our Socials Studies classes went on a trip to Vancouver today for a History Walk.

As our two schools move towards merging into one Grade 6-12 school, discussions surrounding our name, crest, mascot and uniform are being explored. We welcome input from all of our parents and students. Please follow [this link](#) to answer a short survey.

Parents, are you interested in joining the Traditional Advisory Council, a district committee of students, parents, teachers, and admin from the Traditional schools in Abbotsford? The TAC will be having three meetings this year:

# SABRE SCOOP

## This week at ATMS:

We are so happy to announce that after one week, our students have donated over \$700 to the Red Cross in support of those impacted by the floods. This will be matched by our Provincial and Federal governments to become over \$2100! We have 5 more school days to collect loonies! Way to go Sabres, your generous donations are very appreciated.

Grade 8 Basketball Teams continue in the Abbotsford Police City Basketball Tournament. For the full schedule and results, click [here](#).

Our PAC served the staffs at ATMS and ATSS a delicious luncheon on Thursday complete with music and decorations. Thank you very much! We are very appreciative of all that our PAC does for the staff and students in our schools!

Mrs. Toews, our new Vice Principal, had a chance to meet all our middle school students on Thursday. As many of you know, Mrs. Toews is a long-time English teacher from ATSS and she is super excited to be joining our schools in January as a Vice Principal. If you see Mrs. Toews around, please introduce yourselves!

Today we had the Term One Recognition Assembly. We recognized students for the effort and character traits including empathy, courage, integrity, responsibility, respect and service. Keep up the great work everyone!

Report Cards are coming home today. Please make sure you take the time to read the comments that teachers have provided for your child. This is an opportunity to set goals for term 2 and reflect on your child's strengths and areas for growth.

**All week we will be collecting items for the Food Bank. Please see poster here for most sought after items, organized by grade.**
