

TITAN TIMES

This week at ATSS:

Staffing:

Grades 9-12:

Mrs. Bahadur's time here to close out semester 1 is almost over as Mrs. Dueckman is returning to school for semester 2.

Ms. Gill is also only here for semester 1 and Ms. Cousar is returning to school. We wish these two well as they move on to other opportunities.

Admin: Mrs. Toews is now at Traditional full time as Vice Principal, and we welcome her back to the building where she was teaching English.

Seismic: The small gym is still being worked on and we are hoping to have that back as soon as possible. Over the break the large gym and art room were given a lighting upgrade and these rooms are so bright. When you hane in the building next, you might want to pop in to see. Bring your sunglasses 😊.

Health Measures

At this time, we are still face-to-face learning and prepared to go to virtual learning if necessary. We have no indication if on-line learning is coming or not. For now, please continue to complete daily health checks at home and if you are feeling ill, do not come to school

Parents, please consider beginning to use the [BC COVID-19 Thrive app](https://bc.thrive.health/) for daily health checks, found on the Thrive health webpage.

SABRE SCOOP

This week at ATMS:

Our Grade 7's had fun swimming at MRC this week.

February 14th is the last day to buy your yearbook. Make sure you login to SchoolCashOnline to buy yours ASAP!

Parents might be wondering how they will know if our school ever has a functional closure:

- 1) The school will send a letter via email to families
- 2) The school will simultaneously send a phone call to families telling them about the closure and to check email.

ATSS / ATMS new admin team: With the departure of Mrs. Bennato, our Admin team for both schools now consists of Principal Reg Gabriel with Vice-Principals Stan Wiebe and long-time ATSS teacher Becky Toews

A reminder for parents:

- Complete the Daily Health Check at home as you do every morning.
- If your child is ill, please stay home until you are better.
- If your child has COVID, please follow the direction of 811 or your health care provider.

Mrs. Strafford's classes have been busily working on Science Experiments and art and math together through Mandala creation!
