Congrats to Alika! She recently won the friendly "Sound Design for Cartoon" competition that Mr. Koumpan ran with his 8B2 class. Alika composed the best cartoon soundtrack in 8B2 Explos, synchronizing her own music, and sound effects with the chosen video.

Monday February 28th is class photo day. Classes will assemble in the library for their photograph. For grade 6 and 7 students, this is regular uniform day.

Each Grade 8 student will have a special photograph commemorating their last year of Middle School. Students are encouraged to dress nicely for this photo. Students who dress up for the photo will be excused from the regular uniform.

Parents of Grade 8 students will have the opportunity to purchase photos directly from the photographer. We will send instructions on how to access these photos after photo day next week.

With the construction going on in the gym, some classes have been utilizing the space in their classrooms in new ways by building their very own Gaga Ball pits!

The Grade 8 Boys ended their EVAA run with a close loss against the #1 team - Walnut Grove. The kids had lots of fun and everyone got a chance to play. We will be looking to put together a fun game between the Grade 7's and 8's to wrap up the season. Way to go boys!
