This week at ATSS:

Our Steering Committee is happy to share with families a very short survey asking for your opinion on the direction of our schools' name. Please click the following link which will take you to some information and the survey: <https://engage.abbyschools.ca/atms-atss-school-renaming>.

Attention **PE9** students: The **field trip to Wild Play** scheduled for May 12 has now **been moved to April 21**.

Literacy and Numeracy assessments are being written in the week of April 25th. If you were in either English 12 with Mr. Lloyd or English 10 with Mrs Bahadur last semester, you are scheduled to write the Literacy assessment. Those of you in Foundations of Math 10 or A&W Math 10 this semester will be writing the Numeracy assessment. A list of names will be posted outside Mrs. Toews' office as well as in the foyer by the high school front doors. These assessments are graduation requirements and must be written. Check to see if your name is on the list or see Mrs. Toews if you have questions.

Students interested in a Career in Fire Fighting can apply to the Abbotsford Secondary Fire Academy. Go to our Student Services site then the Counselling Blog for the Application, Due to Mr. Abernethy by April 29.

Girls in Grades 8-12 Interested in the Trades, Register now for the May 9 Women and Trades Conference, go to our Student Services Site then the Counselling Blog to Register.

There are many other valuable resources on our Counselling blog including info about the Youth Adventure in Leadership Program, Pre Med info session at UFW, information about Summer School, scholarships and post secondary planning. [Make sure you check it out!](#)

Some grade 6 students are learning about the various aspects of starting and running a business. This week they explored this learning through playing a board game.

Our Grade 7's had their annual spring pop-up sale this week! Students created products and set up tables to sell their wares and learned about cash handling and other business aspects. Each POD chose a charity to donate a portion of their profits to including BC Children's Hospital, Team Seas, and the Juvenile Diabetes Research Foundation

Grade 7's also took a trip out to the Stave Falls Power Station and Interpretive Centre and walked up to Hayward Lake. The students learned a lot and had perfect weather for their walk.

We had a wonderful Vaisakhi assembly including performances by several of our students. Check out the [ATSS](#) & [ATMS](#) Websites if you would like to see video of the performers. Thank you to our PACs for a tasty lunch as well! Happy Vaisakhi everyone!
