

SABRE SCOOP

This week at ATMS:

Happy Friday Sabre Families!

This week was Truth and Reconciliation Week – a week to honour the lost children and survivors of residential schools, their families and communities. Students learned about residential schools and the lasting impact they have for Indigenous people and many students watched a virtual assembly on Wednesday Sept. 29th.

Our grade 7 students enjoyed their first field trip of the year at the Chilliwack Corn Maze on Oct. 1st. There were 2 corn mazes, a hay ride, corn toss, an obstacle course, a bouncy pillow, animals and much more. A big thanks to the grade 7 teachers for organizing this field trip!

Thank you to our grade 6 students for being excellent ambassadors for our school last week during their field trip. The owner of the Chilliwack Corn Maze followed up with ATMS to share: “We LOVED your group - thanks for coming. Your students were so polite and we appreciated all of the parent help as well” – Danielle

Thank you to Mrs. Fox’s homeroom class for all their time, dedication and hard work as members of the Character Club! Over the last few weeks these students had the opportunity to practice the virtues and values on which ATMS prides ourselves. In service to our school community, they held open doors, greeted staff and visitors, manned the cross walk, helped to keep the school litter-free, read the school announcements and much more! Next week Mr. Dunton’s homeroom class will participate in Character Club.

Our parking lot continues to be very congested after school. Please consider arriving shortly after the dismissal time or finding an alternate meeting point for your child. Thank you to the families who have already made arrangements to meet their children further down Windsor St. or on Wheel Ave.

We continue to see a large number of students buy hot lunches! It is fantastic to see so many families supporting our PAC. Thank you to all our PAC volunteers who are making this happen!
