

SABRE SCOOP

This week at ATMS:

Happy Friday Sabre Families!

Colin Abernathy has been the school counsellor at ATSS for many years and we are pleased to note that as of 2020, he is our counsellor at ATMS too as he services those in grades 6-12. Thank you to our WEB leaders and Ms. Sickels and Ms. Strafford for another great WEB event. This week during the WEB Meet and Greet, leaders did a check-in activity and played games with their grade 6 groups.

Some grade 6 classes took part in an Indigenous Presentation this week focusing on Fishing Tools and Implements. A guest speaker virtually led students and they worked in small groups where they made predictions and recorded details.

Thank you for continuing to support our PAC through Hot Lunches. This week Wednesday is Pasta & Crazy Bread (\$4) and Friday is Pizza (\$1.50)! The process is being changed as well, check your email for a reminder to pre-purchase your child's hot lunch through School Cash Online.

Our parking lot continues to be very congested after school. Please consider arriving shortly after the dismissal time or finding an alternate meeting point for your child. Thank you to the families who have already made arrangements to meet their children further down Windsor St. or on Wheel Ave.
