

TITAN TIMES

Welcome back to all our Traditional Families!

Our PAC will be serving hot lunch 3 days per week starting October 4 on Tuesdays, Wednesdays, and Fridays. Menu and pricing will follow. Meals will be first come, first serve and cash only.

PE shirts are now available on schoolcashonline for purchase. Middle students have specific colours they are asked to buy (to match their house colours). Secondary students can also order new PE shirts on-line. This first order will close at the end of the month.

Meet the Teacher is next Wednesday at 6pm. Come by to meet your child's teachers for the year.

Do you identify as LGBTQIA+? Are you an Ally? If you're looking for a safe space or just to meet new people and have fun, come join the Alphabet Mafia Club!

This club is for grades 6-12 and will meet in the library at lunch every middle school Friday 2. The first meeting is tomorrow and there is a schedule of meeting dates posted at the library.

The babysitter's course is coming this fall. Student's age 10-15 can sign up by October 25. Please visit the office to pick up a flyer for more information.

Welcome to our new staff members for the year: Jessica Solomatenko for Art, Jason Labrecque for Foods, Lewis Van Dyk for Math, Adam Graham for Psychology, Cody Gibson as Athletic Director & ADST, and Gurjot Dhaliwal and Gagan Grewal as Permanent TTOC's.

This week in Secondary:

GRAD CRUISE! - Make sure to get your payment in to SchoolCashOnline to confirm your attendance for the Grad Cruise on September 29! If there aren't enough students signed up, it may unfortunately have to be cancelled.

Yesterday, our Jr Girls volleyball team split sets with HSS, and won both sets against Bateman and Mouat, going 5 of 6 for the evening. Well done girls!

This week in Middle:

Middle school photos have been scheduled for October 5th.

Grade 6 students please have your parents make sure that **all 3** Technology forms are submitted through SchoolCashOnline. All of your Chromebook based activities are on hold until these forms are complete.

Student Absences and Early Departures:

Due to the disruptive nature of having students miss class, arrive late or depart early, please notify the office as early as possible when your child will be missing some portion of class. Using the Safe Arrival app is the best option for this.

Please also make sure your child knows when they are being picked up so that they can gather their things and be ready when you arrive.
