

# TITAN TIMES

All of our drama classes are now moving into our newly completed Band Room! It's great to see the progress happening around the school.

We saw lots of festive Halloween spirit this week with costumes everywhere and a fun costume contest put on by Leadership.

The Abbotsford School District is currently hiring Crossing Guards! Although ATS doesn't have a crossing guard position, many of the elementary schools in the area do and more guards are needed. [More info and application information here.](#)

## Restorative Action!

**Did you know?** Rather than focus on controlling students' behaviour, Restorative Action is centred on the development of relational skills and attributes with the ultimate goals of building citizenship in youth and a stronger school community.

Weekly Tip #1 - Remember that "all behaviour has meaning". Taking a pause to think about what is really behind a young person's behaviour can go a long way to working through an issue. Listen with curiosity!

## Reminder to Parents

Traffic jams and parking can be tricky at drop off and pick up times. Please remember the following:

- Do not park in the parking lots of local businesses around the school, that is private property intended for the operation of the businesses
- Do not block exit or entry driveways of businesses, homes, or the school
- Students should stick to the sidewalks, not cut across business properties to get home or to your car
